## OPTIKA PRICE LIST 2011

### BIOLOGICAL AND STEREO MICROSCOPES FOR EDUCATION

| ECOVISION SERIES |  | EURO  |
|------------------|--|-------|
| SFC-3A           | Monocular microscope                                     | 76 €  |
| SFC-3ACase       | Monocular microscope in plastic case with accessoriesNEW | 101 € |
| SFC-3AF          | Monocular microscope                                     | 94 €  |
| M-001            | H5x eyepiece   | 20 €  |
| M-002            | WF10x/18mm eyepiece                                      | 28 €  |
| M-003            | WF16x/12mm eyepiece                                      | 20 €  |
| M-004            | Micrometer eyepiece WF10x/18mm                           | 55 €  |
| M-727            | 4x achromatic objective                                  | 11 €  |
| M-728            | 10x achromatic objective                                 | 18 €  |
| M-729            | 40x achromatic objective                                 | 26 €  |
| M-727.1          | 4x achromatic objective (for SFC-3AF)                    | 12 €  |
| M-728.1          | 10x achromatic objective (for SFC-3AF)                   | 22 €  |
| M-729.1          | 40x achromatic objective (for SFC-3AF)                   | 34 €  |
| M-968            | Plane-concave mirror, Type 1                             | 8 €   |
| M-969            | Plane-concave mirror, Type 2                             | 8 €   |
| M-110            | 20W/230V attachable illuminator                          | 29 €  |
| M-012            | 20W/230V tungsten bulb                                   | 6 €   |
| M-030            | Dust cover type 1  | 2 €   |
| M-015            | Dust cover type 2  | 2 €   |

|              |   |       |
|--------------|---|-------|
| BP-20/400    | Monocular microscope                        | 140 € |
| BP-20/400Hal | Monocular microscope                        | 170 € |
| BP-20/600    | Monocular microscope                        | 156 € |
| M-001        | H5x eyepiece                                | 20 €  |
| M-002        | WF10x/18mm eyepiece                         | 28 €  |
| M-003        | WF16x/12mm eyepiece                         | 20 €  |
| M-004        | Micrometer eyepiece WF10x/18mm              | 55 €  |
| M-730        | 4x achromatic objective                     | 17 €  |
| M-731        | 10x achromatic objective                    | 26 €  |
| M-732        | 20x achromatic objective                    | 38 €  |
| M-733        | 40x achromatic objective                    | 39 €  |
| M-734        | 60x achromatic objective                    | 68 €  |
| M-040        | Attachable mechanical stage                 | 33 €  |
| M-099        | Polarising set (filters and rotating table) | 77 €  |
| M-110        | 20W/230V attachable illuminator             | 29 €  |
| M-012        | 20W/230V tungsten bulb                      | 6 €   |
| M-969        | Plane-concave mirror, Type 2                | 8 €   |
| M-970        | Plane-concave mirror, with base, Type 3     | 12 €  |
| M-015        | Dust cover type 2                           | 2 €   |

|            |   |       |
|------------|---|-------|
| B-20       | Monocular microscope 400x, LED                                | 150 € |
| B-20 Solar | Monocular microscope 400x, LED with solar panel               | 194 € |
| B-20R      | Monocular microscope 400x, LED with rechargeable batteriesNEW | 194 € |
| M-044      | WF10x/16mm eyepiece   | 28 €  |
| M-727      | 4x achromatic objective                                       | 11 €  |
| M-728      | 10x achromatic objective                                      | 18 €  |
| M-729      | 40x achromatic objective                                      | 26 €  |
| M-030      | Dust cover type 1   | 2 €   |

|         |                      |       |
|---------|----------------------|-------|
| M-100FL | Monocular microscope | 142 € |
|---------|----------------------|-------|

|                  |   |              |
|------------------|---|--------------|
| <b>M-100FLed</b> | <b>Monocular microscope</b>                 | <b>166 €</b> |
| <b>M-100FL-H</b> | <b>Monocular microscope</b>                 | <b>154 €</b> |
| M-001            | H5x eyepiece                                | 20 €         |
| M-002            | WF10x/18mm eyepiece                         | 28 €         |
| M-003            | WF16x/12mm eyepiece                         | 20 €         |
| M-004            | Micrometer eyepiece WF10x/18mm              | 55 €         |
| M-131            | 4x achromatic objective                     | 17 €         |
| M-132            | 10x achromatic objective                    | 26 €         |
| M-133            | 20x achromatic objective                    | 38 €         |
| M-134            | 40x achromatic objective                    | 39 €         |
| M-135            | 60x achromatic objective                    | 68 €         |
| M-136            | 100x achromatic objective                   | 70 €         |
| M-040            | Attachable mechanical stage                 | 33 €         |
| M-099            | Polarising set (filters and rotating table) | 77 €         |
| M-012            | 20W/230V tungsten bulb                      | 6 €          |
| M-013            | 12V/10W halogen bulb, with dichroic mirror  | 9 €          |
| M-971            | Plane-concave mirror, with base, Type 4     | 12 €         |
| M-015            | Dust cover type 2                           | 2 €          |

| <b>B-100 SERIES</b> |   | <b>EURO</b>  |
|---------------------|---|--------------|
| <b>B-110</b>        | <b>Monocular microscope</b>                     | <b>192 €</b> |
| <b>B-120</b>        | <b>Monocular microscope</b>                     | <b>278 €</b> |
| <b>B-125</b>        | <b>Monocular microscope, LED</b>                | <b>296 €</b> |
| <b>B-126</b>        | <b>Monocular microscope, LED with batteries</b> | <b>314 €</b> |
| <b>B-130</b>        | <b>Binocular microscope</b>                     | <b>377 €</b> |
| <b>B-131</b>        | <b>Binocular microscope, LED with batteries</b> | <b>389 €</b> |
| M-001               | H5x eyepiece                                    | 20 €         |
| M-002               | WF10x/18mm eyepiece                             | 28 €         |
| M-003               | WF16x/12mm eyepiece                             | 20 €         |
| M-004               | Micrometer eyepiece WF10x/18mm                  | 55 €         |
| M-131               | 4x achromatic objective                         | 17 €         |
| M-132               | 10x achromatic objective                        | 26 €         |
| M-133               | 20x achromatic objective                        | 38 €         |
| M-134               | 40x achromatic objective                        | 39 €         |
| M-135               | 60x achromatic objective                        | 68 €         |
| M-136               | 100x achromatic objective                       | 70 €         |
| M-040               | Attachable mechanical stage                     | 33 €         |
| M-140               | Polarising set (filters only)                   | 70 €         |
| M-018               | 5W fluorescent neon bulb                        | 11 €         |
| M-972               | Plane-concave mirror, with base, Type 5         | 12 €         |
| M-031               | Dust cover type 3                               | 2 €          |

| <b>B-165 SERIES</b> |  | <b>EURO</b>  |
|---------------------|--|--------------|
| <b>B-165Pol</b>     | <b>Monocular polarising microscope</b> | <b>418 €</b> |
| <b>B-165PolB</b>    | <b>Binocular polarising microscope</b> | <b>660 €</b> |
